In the heart of the World, walking with Jesus, we are all "belonging to the Way" (St. J. 2)

Mons Gaudi

You can enjoy one of the best views of Jerusalem from a short distance from our hostel (*Monastere Sainte Claire* in the map). Together with the Mount of Olives, we suggest you to walk until the view point located at the top of the Scherover way. Somehow, you can consider this place like a Mons Gaudi. If you are walking from Bethlem, walk a short distance from Hebron Road to reach the viewpoint. Once there, stop and stare Jerusalem, your goal. You can then easily go on following the Promenade, a way in the shades, pass besides the hostel's east wall and enter the city through the Jaffa or the Sion gate.
